Fall 2015

Dear Newtown Community Member,

**The Board of Directors of Newtown Public Library would like to thank you, our patrons and neighbors, for the support you have shown our library over the past many years.** We are thrilled that so many of you are taking the time to stop by and check out what we have to offer. For those of you who are new to our community, or maybe just new to the Library, welcome. This truly is a very exciting time for our Township and for the Library.

Today's libraries aren't just places to check out a book but also creative and engaging community centers, where students and patrons can collaborate or just relax with peers. We continue to offer a wide variety of services and special events for all ages from babies to seniors. Our library offers access to a variety of print and digital resources, including e-books and online databases.

Yes, the Newtown Township Supervisors continue to recognize the importance of the Library by generously providing Township financial support to our organization. Yes, our active Friends of the Library (FOL) group continues to hold exciting programming and fund-raising events. But the revenue generated by Library operations, FOL, and the Township, even gathered together, cannot fund the full range of services offered by your Library. We greatly appreciate any support you are able to offer.

Sincerely,

Ed Nabholz, President  
Newtown Public Library, Board of Trustees
