

## Newtown Public Library Book Dedication Form

Dedicating a new book is a memorable way to celebrate a special occasion, holiday or family event such as a birth, graduation, birthday or anniversary.

For a donation of \$25 or more, you can dedicate a new book to our library collection. You can select a subject area, or allow our librarians to select a popular new item. The donated book will feature a bookplate with the honoree's name and your name plus a custom dedication. The recipient (or the recipient's family) and donor will receive a letter describing the book donation.
